The vendor may display and offer for sale only merchandise which is shown in the photographs that are part of this application. All merchandise offered for sale must have been approved by the jury selected by the Butlerville Days Committee to review this application and the product photos. The jury shall have the right to disallow from display or sale any item that is not in keeping with community standards. If the vendor adds or changes any product after this application and product photos have been submitted, new product photos must be submitted to and approved by the Butlerville Days Committee and jury prior to July 1st.
